Other agreements will be pursued as well and will be announced on the website and by email broadcast. Our members will be able to golf 18 holes with a cart for \$30. For Jay Peak, the package price will be \$50 for 18 holes with a cart. There are certain procedures our members must adhere to in order to receive this benefit:

- Tee times (which are subject to availability) will be reserved by the member at the course to be played. A Newport Country Club membership card must be shown at the time of sign-in.
- Advance tee times are based on the reciprocal clubs' policies and procedures. (Note: For Dufferin Heights, tee times must be after 1 PM, and are best reserved a day in advance.)

It is hoped that by making this benefit available, our course will be used by other clubs' membership during club event times at home clubs.

5. IROC (Indoor Recreation of Orleans County) in Derby has set up a net so that people may practice their golf during the off season. We have participated in buying the net (through our Junior program funds) so Club members will have special rates (\$99 for a membership and \$3.50 for one half hour). Participation in this program is free for our junior members.

8. All requests for use of the clubhouse will be directed to the Chair of the Clubhouse Committee who shall process such requests.

PLAYING RULES:

1. It is the responsibility of all players to observe the etiquette of golf at all times. Replace your divots, repair your ball marks, and rake your footprints from sand traps. Take care not to spike the greens, observe all cart signs, and maintain proper distances from the greens and tees. Because we value the condition of our course, **ALL PLAYERS** are encourage to repair ball marks and spike marks, replace divots, or rake traps neglected by less considerate players.
2. At the start of golf season, the golf course shall be open for play by 7 AM and will close to play at sunset or 9 PM, whichever comes first.
3. Members may reserve a tee time ten days in advance. Non-members may reserve a tee time seven days in advance.
4. Each player must have his/her own clubs.
5. Only threesomes and foursomes will be allowed off the first tee between 7 AM and noon on weekends and holidays. Groups of fewer players may be permitted off the first tee with prior approval and at the discretion of the golf professional, person designated by him/her, or the starter or course ranger. These individuals shall have the authority to join single players and twosomes on the first tee. **EXCEPTION:** Club matches may be played in twosomes with prior approval of the golf professional.
6. Slow players shall let faster golfers play though. If any group fails to keep pace for more than two consecutive holes, it must allow the following group to play through. Players may be asked by the ranger to speed up play. Beginners and slower players are discouraged from using the course on weekends and holidays between the hours of 7 AM and 2 PM, and on Fridays from noon on. *A single player has no standing and should give way to a match of any kind.*
7. Players searching for a lost ball should signal the group behind them to play through as soon as it is apparent that the ball will not be easily found. In all instances, **FIVE MINUTES IS THE MAXIMUM TIME** allowed to look for a lost ball. Players are encouraged to hit a provisional ball if the first ball is thought to be lost.
8. *Cutting in is prohibited*, especially on the tenth tee. Please refer to the sign on that tee. Any players stopping in the clubhouse for refreshments must occupy the tenth tee before the trailing

or next group arrives, or they will lose their position and may not continue play without the permission of the golf professional or starter.

CART RULES: All members, guests, and greens fee players shall respect and follow all rules relating to cart paths, cart usage, and cart restrictions. All cart signs, ropes, and markings must be strictly obeyed. These rules shall also include verbal instructions regarding restrictions given to a member or guest by the golf professional, starter or ranger, or golf course superintendent who shall have the final say.

1. INDIVIDUALS WHO ARE UNDER 15 YEARS OF AGE MAY NOT DRIVE ANY GOLF CART – PRIVATE OR RENTAL – ON THE CLUB PROPERTY. Only two players and two sets of golf clubs are permitted per motorized rental golf cart, unless prior permission is granted by the golf professional.

2. Owners of private motorized carts may not allow their carts to be used by anyone other than IMMEDIATE FAMILY MEMBERS. There shall never be more than two persons registered as the owners of either a private or lease rental cart.

3. Persons operating a motorized cart do so at their own risk. Drivers (members, guests, or greens fee players) will be held responsible for any and all damages and/or injuries caused by such carts, including damages to the Club's rental carts. Reimbursement shall be required for damages the Club may sustain by misuse of any motorized cart. Members will NOT LEAVE THEIR KEYS in their carts. Reckless use of a motorized cart will result in action deemed appropriate by the Board.

4. Private motorized cart owners should be able to provide proof of insurance for their carts if requested or required. The Club bears no responsibility for privately owned carts.

5. Members owning motorized carts may not store their carts on club property without proper space rental payment and a valid cart storage sticker. Members who purchase a rental space and fail to occupy that space by July 1st will lose that space. Members may NOT RENT, LOAN OUT, OR SELL cart spaces.

6. Owners of private motorized carts may retain the same reserved space each season by notifying the Club in writing of their intention to do so, and by paying for their cart storage in advance of the season as noted in the annual membership letter. The sale of a member's motorized cart to another member DOES NOT CONVEY cart storage or use privileges to the new owner.

7. No more than one motorized cart will be allowed for two persons playing together, and no more than two motorized carts will be allowed for four persons playing together.

8. Members and/or guests who have a disability preventing them from walking comfortably may obtain a handicap pennant from the pro shop. Players displaying such pennants are permitted to park as close as 25' from the green, but NO CLOSER. Carts must always be parked in the rough on the sides or at the back of the green, NEVER on the front approach of the green. On par 3s handicapped players may use the 90 degree rule, but MUST NOT drive directly down the fairway to the ball. The use of a handicap pennant is a privilege based on the honor system, and it is expected that all will treat it as such. When the need for such pennant no longer exists, players are expected to stop displaying it and resume abiding by the regular course rules for carts.

COURSE RANGER AND/OR STARTER:

1. The course ranger and/or starter has full authority to enforce all rules of the Club as they apply to play, including:

The adult member will be responsible for the conduct of the junior member during such rounds.
5. AT NO TIME shall a member or greens fee player allow a non-golfer to accompany a group WITHOUT PRIOR PERMISSION of the golf professional.
6. Infants, toddlers, and young children are NOT allowed on the golf course at any time. EXCEPTION: Junior members or youngsters involved with the Club's junior golf program and high school or junior high school players granted temporary playing privileges by the Board are allowed on the course.
